E-journals databases and e-books collections

_____

ABI/Inform Complete Collection (ProQuest)

The most comprehensive ABI/INFORM™ database, this comprises ABI/INFORM Global, ABI/INFORM Trade and Industry, and ABI/INFORM Dateline. The database features thousands of full-text journals, dissertations, working papers, key business and economics periodicals such as the Economist, country-and industry-focused reports, and downloadable data. Its international coverage gives researchers a complete picture of companies and business trends around the world.

Academic Search Ultimate (EBSCO)

It offers students an unprecedented collection of peer-reviewed, full-text journals, including many journals indexed in leading citation indexes. The combination of academic journals, magazines, periodicals, reports, books and videos meets the needs of scholars in virtually every discipline ranging from astronomy, anthropology, biomedicine, engineering, health, law and literacy to mathematics, pharmacology, women's studies, zoology and more.

AccessMedicine (McGraw-Hill)

AccessMedicine from McGraw-Hill Medical is a comprehensive online medical resource that provides a complete spectrum of knowledge from the best minds in medicine, with essential information accessible anywhere. More than 100 references help students and residents succeed throughout their medical education, including the latest editions of the world's most respected medical texts such as, _Harrison's Principles of Internal Medicine_ and _CURRENT Medical Diagnosis & Treatment_.

AccessPhysiotherapy (McGraw-Hill)

AccessPhysiotherapy from McGraw-Hill Medical is devoted exclusively to the study, instruction, and practice of physical therapy – with groundbreaking content for today's PT. Updated regularly, this comprehensive online physiotherapy resource integrates leading physical therapy textbooks, procedure and exercise videos, image galleries, self-assessment tools, and a unique cadaver dissection tool –optimized for viewing on any device.

AccessScience (McGraw-Hill)

AccessScience is an authoritative and dynamic online resource that contains incisively written, high-quality reference material that covers all major scientific disciplines. An award-winning gateway to scientific knowledge, it offers links to primary research material, videos and exclusive animations, plus specially designed curriculum maps for teachers. With these and other online features, AccessScience is continually expanding the ways it can demonstrate and explain core, trustworthy scientific information in a way that inspires and guides users to deeper knowledge.

Accounting, Tax & Banking Collection (ProQuest)

This database contains essential publications for information about the financial services industry, including accounting, tax, banking, and industry trends.

[ACM Digital Library](#)
The ACM Digital Library is a research, discovery and networking platform containing: The **Full-Text Collection** of all ACM publications, including journals, conference proceedings, technical magazines, newsletters and books. A collection of curated and **hosted full-text** publications from select publishers. **The ACM Guide to Computing Literature**, a comprehensive bibliographic database focused exclusively on the field of computing.

[Advanced Technologies & Aerospace Database (ProQuest)](#)
A full-text database covering comprehensive scholarly output, managed by an expert editorial team overseeing content selection and indexing supported by a controlled vocabulary.

[Agricola (EBSCO)](#)
This database contains **bibliographic records** from the U.S. Department of Agriculture's National Agricultural Library. Coverage for *AGRICOLA* dates back to 1970 and includes more than 4.8 million citations. The citations are comprised of journal articles, monographs, theses, patents, software, audiovisual materials, and technical reports related to agriculture.

[Agriculture Science Database (ProQuest)](#)
This database contains the leading agricultural journals published in North America. ProQuest Agriculture Journals offers the complete text as well as complete images from such journals as Agricultural Research, Forest Products Journal, Journal of Animal Science, Journal of Soil and Water Conservation and Plant Physiology.

[AHFS Consumer Medication Information (EBSCO)](#)
AHFS Consumer Medication Information is a trusted source and recognized standard for patient drug information, available in both English and Spanish. Published by the American Society of Health-System Pharmacists, AHFS includes more than a thousand drug information monographs.

[Art & Architecture Complete (EBSCO)](#)
The database provides full-text coverage of 380 periodicals and more than 220 books. In addition, this database offers cover-to-cover indexing and abstracts for more than 780 academic journals, magazines and trade publications, as well as for over 230 books. *Art & Architecture Complete* also provides selective coverage for 70 additional publications and an Image Collection of over 63,000 images provided by Picture Desk and others.

[ARTBibliographies Modern (ProQuest)](#)
This database is the only specialist bibliography available for the study of modern and contemporary art. Covers all art forms, including fine art, digital art, crafts, design and photography. Features **full abstracts and indexing** from art journals published from the late 1960s onwards.

[Arts & Humanities Database (ProQuest)](#)
This database features hundreds of titles covering Art, Architecture, Design, History, Philosophy, Music, Literature, Theatre and Cultural Studies. It is designed to complement the following indexes: ABM, Avery, BHA, BHI, DAAI, Index Islamicus, MLA, Philosopher's Index and RILM.

[Asian & European Business Collection (ProQuest)](#)
This database provides information pertinent to the study of business and finance topics across Asia and Europe, including academic journals, newspapers, newswires, and magazines. Find information on companies, economies, markets, international trade, and overall business conditions and practices throughout these regions.

[Australia & New Zealand Database (ProQuest)](#)
This database provides ongoing full-text academic journals that are locally published by scholarly publishing organizations and educational institutions in Australia and New Zealand. Major subject areas of study are represented, including business, science, technology, engineering, social sciences, education, and humanities.

[Avery Index to Architectural Periodicals (EBSCO)](#)
Avery Index to Architectural Periodicals, published by the Getty Research Institute, is the only comprehensive American guide to the current literature of architecture and design. The index covers international, scholarly and popular periodical literature, including publications of professional associations; US state and regional periodicals; and major serial publications in the architecture and design of Europe, Asia, Latin America and Australia.

[Biological Science Database (ProQuest)](#)
This interdisciplinary database offers abstracts, citations and full-text to a wide range of research in biomedicine, biotechnology, zoology and ecology and some aspects of agriculture and veterinary science. Supporting over two dozen areas of expertise, this database provides access to literature from over 6000 serials, as well as conference proceedings, technical reports, monographs and selected books and patents.

[BMJ Learning](#)
[BMJ Learning](#) and the [BMJ](#) offer high-quality continuing medical education for doctors and other healthcare professionals. BM Learning features hundreds of accredited, peer-reviewed learning modules in text, video, and audio formats. User guide for BMJ Learning.

[Business Market Research Collection (ProQuest)](#)
This database contains company, industry, economic and geopolitical market research from three sources, including Hoover's Company Profiles, OxResearch from Oxford Analystica, and Snapshots.

[Business Source Ultimate (EBSCO)](#)
Business Source Ultimate offers an unprecedented wealth of peer-reviewed, full-text journals and other resources that provide historical information and current trends in business that spark discussion on future developments and changes in the business world.

[Cambridge Core (Cambridge University Press)](#)
All 360 peer-reviewed journals and their digitised archives (1.6+ million articles) are available online. View a [complete list.](#)

[Canadian Business & Current Affairs Database (ProQuest)](#)
Canada's reference and current events - scholarly journal articles, trade publications, dissertations, books, newspapers and magazines

[Canadian Newsstream (ProQuest)](#)
This database offers unparalleled access to the full text of over 190 Canadian newspapers from Canada's leading publishers. This full text database includes the complete available electronic backfile for most newspapers, providing full access to the articles, columns, editorials and features published in each. Some backfiles date as far back as the late 1970s.

[Career and Technical Education Database (ProQuest)](#)
ProQuest Career & Technical Education is the definitive source for vocational information. The database includes nearly 600 titles, with more than 500 available in full-text.

[CINAHL Plus With Full Text (EBSCO)](#)
CINAHL Plus® with Full Text is a robust collection of full text for nursing & allied health journals, providing full text for more than 770 journals indexed in *CINAHL®*. This authoritative file contains full text for many of the most used journals in the *CINAHL* index, with no embargo. *CINAHL Plus with Full Text* is the core research tool for all areas of nursing and allied health literature. Full text coverage dates back to 1937.

[Cochrane Library](#)
The Cochrane Library (ISSN 1465-1858) is a collection of databases that contain different types of high-quality, independent evidence to inform healthcare decision-making.
- The Cochrane Database of Systematic Reviews (CDSR) is the leading resource for systematic reviews in health care. (ISSN: 1469-493X)
- The Cochrane Central Register of Controlled Trials (CENTRAL) is a highly concentrated source of reports of randomized and quasi-randomized controlled trials.
- Cochrane Clinical Answers (CCAs) provide a readable, digestible, clinically-focused entry point to rigorous research from Cochrane Reviews.

[Communication & Mass Media Complete (EBSCO)](#)
CMMC provides the most robust, quality research solution in areas related to communication and mass media. *CMMC* offers cover-to-cover ("core") indexing and abstracts for more than 570 journals, and selected ("priority") coverage of nearly 200 more, for a combined coverage of more than 770 titles. Furthermore, this database includes full text for over 450 journals.

[Computer Science Database (ProQuest)](#)
This collection provides unmatched discipline-specific coverage spanning thousands of publications, many in full text.

[Computers & Applied Sciences Complete (EBSCO)](#)
CASC covers the research and development spectrum of the computing and applied sciences disciplines. CASC provides indexing and abstracts for nearly 2,200 academic journals, professional publications, and other reference sources from a diverse collection. Full text is also available for more than 1,000 periodicals.

[Consumer Health Database (ProQuest)](#)
This database includes journals and magazines covering an enormous range of health subjects, from sports injuries to women's health, from food and nutrition to midwifery, from eye care to dentistry.

[Continental Europe Database (ProQuest)](#)
This database provides ongoing full-text academic journals that are locally published by scholarly publishing organizations and educational institutions in many European countries, including France, Italy, Germany, Denmark, Norway, Sweden, Switzerland, Spain, and Portugal. Major subject areas of study represented are, including business, science, technology, engineering, social sciences, education, and humanities.

[Criminal Justice Database (ProQuest)](#)
Criminal Justice Database is a comprehensive database supporting research on crime, its causes and impacts, legal and social implications, as well as litigation and crime trends. As well as U.S. and international scholarly journals, it includes correctional and law enforcement trade publications, dissertations, crime reports, crime blogs and other material relevant for researchers or those preparing for careers in criminal justice, law enforcement and related fields.

[Cyprus Organization for Standardisation](#)
CYS is responsible for the preparation, publication, revision and amendment of Cyprus standards and the promotion of their implementation. Download the [instructions](#) to register from within the University's premises for the first time and then use your username and password from anywhere.

[Digital National Security Archive (ProQuest)](#)
From the award-winning, nongovernmental National Security Archive, this resource consists of expertly curated, and meticulously indexed, declassified government documents covering U.S. policy toward critical world events – including their military, intelligence, diplomatic and human rights dimensions – from 1945 to the present.

[Documents on British Policy Overseas (ProQuest)](#)
Documents on British Policy Overseas (DBPO) is a fully searchable collection of primary source documents from Britain's Foreign and Commonwealth Office (FCO), shedding light on diplomatic history throughout the 20th C. It is based on three print series, which form a record of British peacetime diplomacy since the end of the 19th C: British Documents on the Origins of the War 1898-1914, Documents on British Foreign Policy 1918-1939 and Documents on British Policy Overseas.

[Dynamed Plus (EBSCO)](#)
DynaMed Plus is the next-generation, evidence based, clinical information resource designed to decrease time to answer, and to with at. It includes best evidence, most current and most relevant information – updated daily. Also, contains overviews and recommendations, multimedia content, robust specialty content created by specialists from some of the most elite healthcare organizations in the world, more than 4,800 clinical and drug topics, more than 4,700 graphics and images, drug content from Micromedex, free mobile app, available for iOS and Android devices and much more. [Guides](#) on how to use Dynamed Plus.

[Earth, Atmospheric & Aquatic Science Database (ProQuest)](#)
The Database contains full-text titles from around the world, including scholarly journals, trade and industry journals, magazines, technical reports, conference proceedings, and government publications.

[East and South Asia Database (ProQuest)](#)
This database provides ongoing full-text academic journals that are locally published by scholarly publishing organizations and educational institutions in many East Asian and South Asian countries.

[East Europe, Central Europe Database (ProQuest)](#)
This database provides ongoing full-text academic journals that are locally published by scholarly publishing organizations and educational institutions in East European and Central European countries.

[eBook Academic Collection (EBSCO)](#)
This growing subscription package contains a large selection of multidisciplinary eBook titles representing a broad range of academic subject matter, and is a strong complement for any academic collection. The breadth of information available through this package ensures that users will have access to information relevant to their research needs.

[eBook Business Collection (EBSCO)](#)
ebooks are selected for this collection to assist students and scholars with various business research, special project and entrepreneurial needs, and to help students understand general business concepts. The *eBook Business Collection* encompasses a variety of business topics, such as marketing, finance, supply chain management and entrepreneurship, with additional focus on career growth, personal development, communication and networking.

[Ebook Central (ProQuest)](#)
Access to a growing selection of over 160000 e-books from trusted publishers in all academic subject areas.

[eBook University Press Collection (EBSCO)](#)
This collection contains more than 35,000 multidisciplinary e-books from more than 90 of the best university presses in the world. Covering a variety of subjects such as technology, science, literature and humanities, the collection serves a full range of audiences, offering basic introductory texts to high-level research materials.

[Education Database (ProQuest)](#)
Education Database supports the study and application of education across all levels of education, including early childhood education, primary and secondary education, and higher education. The database supports global study and research, including thousands of full-text journals, dissertations and other relevant sources.

[Education Research Complete (EBSCO)](#)
Education Research Complete is the definitive online resource for education research. Topics covered include all levels of education from early childhood to higher education, and all educational specialties, such as multilingual education, health education, and testing. *Education Research Complete* provides indexing and abstracts for more than 2,100 journals, as well as full text for more than 1,200 journals, and includes full text for nearly 500 books and monographs.

[Elsevier eBooks](#)
Full text access to over 28,000 titles of ebooks including Book Series, Handbooks, Reference Works.

[Emerald eBooks Collection](#)
Access to Business, Management, Economic, and Social Sciences eBook collections published by Emerald.

[Emerald eJournals Premier Collection](#)
Providing access to the latest research for the maximum value, this premium collection provides access to all current content and selected archive material for all 300+ Emerald eJournals.

[Engineering Database (ProQuest)](#)
A full-text database covering comprehensive scholarly output, managed by an expert editorial team overseeing content selection and indexing supported by a controlled vocabulary.

[Environment Complete (EBSCO)](#)
Environment Complete contains more than 2.4 million records from more than 2,200 domestic and international titles going back to 1888 (including over 1,350 active core titles) as well as more than 190 monographs. The database also contains full text for more than 920 journals.

[Environmental Science Database (ProQuest)](#)
The Environmental Science Database is a cross-disciplinary resource of full-text content of global literature across this field and related disciplines. It provides the most complete collection of resources available to support research and learning in environmental science and related fields.

[ERIC (EBSCO)](#)
ERIC, the Education Resource Information Center, provides access to education literature and research. The database provides access to information from journals included in the *Current Index of Journals in Education and Resources in Education Index*. Content includes journal articles, research reports, curriculum and teaching guides, conference papers, dissertations and theses, and books dating back to 1966.

[European Views of the Americas: 1494-1750 (EBSCO)](#)
This new bibliographic database is a valuable index for libraries, scholars and individuals interested in European works that relate to the Americas. EBSCO Publishing, in cooperation with the John Carter Brown Library, has created this resource from "European Americana: A Chronological Guide to Works Printed in Europe Relating to The Americas, 1493-1750," the authoritative bibliography that is well-known and respected by scholars worldwide. The database contains more than 32,000 entries and is a comprehensive guide to printed records about the Americas written in Europe before 1750.

[Food Science Source (EBSCO)](#)
Food Science Source™ is an extensive full-text database designed to support the informational needs of the food industry at all levels. This collection offers unmatched full-text coverage of information relevant to many areas that are integral to the food industry. This database offers cover-to-cover full-text coverage for more than 1,400 publications, including journals,

monographs, magazines, and trade publications, all directly dealing with food industry-related issues. More than 1,000 key food industry and market reports are available.

GeoRef (Proquest)
The GeoRef database, established by the American Geosciences Institute (AGI) in 1966, provides access to the most comprehensive geoscience literature of the world. GeoRef contains millions of **references** to geoscience maps, serial, and non-serial literature.

GreenFILE (EBSCO)
GreenFILE offers well-researched information covering all aspects of human impact to the environment. Its collection of scholarly, government and general-interest titles includes content on global warming, green building, pollution, sustainable agriculture, renewable energy, recycling, and more. The database provides **indexing and abstracts** for more than 384,000 records, as well as Open Access **full text** for more than 4,700 records.

The Hague Academy of International Law Collected Courses Online (Brill)
The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects. The work of The Hague Academy receives the support and recognition of the UN. Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law. The courses deal with the theoretical and practical aspects of the subject, including legislation and case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the Collected Courses of The Hague Academy of International Law.

Health & Medical Collection (ProQuest)
This database offers reliable, comprehensive journal coverage of clinical and biomedical topics, consumer health, health administration and more.

Health Source: Consumer Edition (EBSCO)
This database is the richest collection of consumer health information available to libraries worldwide, providing information on many health topics including the medical sciences, food sciences and nutrition, childcare, sports medicine and general health. *Health Source: Consumer Edition* provides access to nearly 80 full text, consumer health magazines.

Health Source: Nursing/Academic Edition (EBSCO)
This database provides nearly 550 scholarly full text journals focusing on many medical disciplines. *Health Source: Nursing/Academic Edition* also features the *AHFS Consumer Medication Information*, which covers 1,300 generic drug patient education sheets with more than 4,700 brand names.

Healthcare Administration Database (ProQuest)
This database is a collection of reliable and relevant resources in the field of health administration, including journals and dissertations.

Humanities Abstracts/H.W. Wilson (EBSCO)
Humanities Abstracts™ provides detailed indexing for almost 700 periodicals covering the humanities—of which 470 are peer-reviewed—dating as far back as 1984, including feature articles, interviews, bibliographies, obituaries, and original works of fiction, drama, poetry and

book reviews, as well as reviews of ballets, dance programs, motion pictures, musicals, radio and television programs, plays, operas, and more.

Humanities International Complete (EBSCO)
The database provides full text of hundreds of journals, books and other published sources from around the world. Produced by Whitston Publishing (an imprint of EBSCO Publishing), this database includes all data from *Humanities International Index* (more than 2,300 journals and more than 2.9 million records) plus unique full text content, much of which is not found in other databases. The database includes full text for more than 1,200 journals.

IEEE Xplore Digital Library
The IEEE *Xplore* digital library is a powerful resource for discovery of and access to scientific and technical content published by the IEEE (Institute of Electrical and Electronics Engineers) and its publishing partners. EEE *Xplore* provides web access to more than four-million full-text documents from some of the world's most highly cited publications in electrical engineering, computer science and electronics. More than two-million documents are in robust, dynamic HTML format. The content in IEEE *Xplore* comprises of 195+ journals, 1,400+ conference proceedings, 5,100+ technical standards, approximately 2,000 books, and 400+ educational courses.

India Database (ProQuest)
This database is a comprehensive, multidisciplinary resource of full-text scholarly journals published in India, supporting many subjects, including business, medicine, science, technology, social sciences and humanities.

International Newsstream (ProQuest)
International Newsstream provides the most recent news content outside of the US and Canada, with archives which stretch back decades featuring newspapers, newswires, and news sites in active full-text format. International Newsstream provides information from more than 660 of the world's top newspapers, including The Times (London), The Bangkok Post, El Norte, Financial Times, The Guardian, Jerusalem Post, South China Morning Post, The Daily Telegraph, Asian Wall Street Journal, and the BBC Monitoring series of publications.

Kluwer Law Online (Wolters Kluwer)
Full-text access to the full collection of law journals.

Latin America & Iberia Database (ProQuest)
This database provides ongoing full-text academic journals that are locally published by scholarly publishing organizations and educational institutions in many Latin American countries, Spain, and Portugal.

Leginet: The Cyprus Legal Portal
Provides access to the "Legislation", "Cases", "Subsidiary Legislation" and "District Court Cases" of the Republic of Cyprus. All recent Cases are available only in Greek. The only texts currently in English are older cases released from 1883-1989. For access, you need to contact the library. OpenAthens authentication is not supported.

[LexiNexis Academic](#)
LexisNexis® Academic provides access to full-text news, business, and legal publications, using a variety of flexible search options. One of the most heavily used databases in higher education, LexisNexis® ''Academic'' is available at over 1,800 libraries serving over 9 million students and faculty. It is a standard element in many research and information literacy programs. Access over 15,000 news, business, and legal sources. The outstanding news coverage includes deep archives and up-to-the-minute stories in national and regional newspapers, wire services, broadcast transcripts, international news, and non-English language sources. Use the included Company Dossier module to retrieve detailed company information and financial performance measures or identify and compare companies matching specific criteria. This product also provides access to the renowned Shepard's Citations® service for all federal and states court cases back to 1789.

[LexisNexis JurisClasseur](#)
Access more than 4 million essential documents: French and European official sources, legislation consolidated by LexisNexis, JurisClasseur encyclopedias, LexisNexis journals, more than 2 million jurisprudence decisions and JurisData, bibliographies and legislation.

[LexisNexis Library](#)
Available in a single resource, the Legal Collection is a unique service providing access to an extensive range of commentary, legislation, cases, current awareness and materials. It includes a catalogue of undisputed leading titles such as Halsbury's Laws of England, All England Law Reports, Harvey on Industrial Relations, De Voil Indirect Tax Service and Simon's Direct Tax Service and Company Law Tracker.

[Library & Information Science Abstracts (ProQuest)](#)
Library & Information Science Abstracts (LISA) is an international **abstracting and indexing** tool designed for library professionals and other information specialists.

[Library, Information Science & Technology Abstracts (EBSCO)](#)
Library, Information Science & Technology Abstracts (LISTA) **indexes** more than 560 core journals, nearly 50 priority journals, and nearly 125 selective journals; plus books, research reports and proceedings. Subject coverage includes librarianship, classification, cataloging, bibliometrics, online information retrieval, information management and more. Coverage in the database extends back as far as the mid-1960s.

[Library Science Database (ProQuest)](#)
Library science, online retrieval, archives, information technology - journal articles.

[Linguistics Database (ProQuest)](#)
This database includes full-text journals and other sources in linguistics, including many titles indexed in Linguistics and Language Behavior Abstracts (LLBA). It covers all aspects of the study of language including phonetics, phonology, morphology, syntax and semantics.

[MasterFILE Premier (EBSCO)](#)
Designed specifically for public libraries, this multidisciplinary database provides full text for nearly 1,700 periodicals with full-text information dating as far back as 1975. Covering virtually every subject area of general interest, *MasterFILE Premier* also contains full text for nearly 500

reference books and over 164,400 primary source documents, as well as an Image Collection of over 592,000 photos, maps & flags

[Materials Science Database (ProQuest)](#)
A full-text database covering comprehensive scholarly output.

[Medline Complete (EBSCO)](#)
MEDLINE Complete provides authoritative medical information on medicine, nursing, dentistry, veterinary medicine, the health care system, pre-clinical sciences, and much more. *MEDLINE Complete* uses MeSH (Medical Subject Headings) indexing with tree, tree hierarchy, subheadings and explosion capabilities to search citations from over 5,400 current biomedical journals. *MEDLINE Complete* is also the world's most comprehensive source of full text for medical journals, providing full text for over 1,800 journals indexed in MEDLINE. With coverage dating back to 1857 and full-text back to 1865, MEDLINE Complete is the definitive research tool for medical literature.

[Middle East & Africa Database (ProQuest)](#)
This database provides ongoing full-text academic journals that are locally published by scholarly publishing organizations and educational institutions in many Middle Eastern and African countries.

[Military Database (ProQuest)](#)
The Military Database covers topics across all government and military branches, including international relations, political science, criminology, defense, aeronautics and space flight, communications, civil engineering, and more.

[Nature.com (Springer)](#)
Platform access to 31 journals from Nature Research and to a full portfolio of 42 biomedical and medical academic journal titles.

[Naxos Music Library](#)
Naxos Music Library[NML] is the world´s largest online classical music library. Currently, it offers streaming access to more than 137,540 CDs with more than 2,129,100 tracks of both standard and rare repertoire. Over 800 new CDs are added to the library every month. The library offers the complete Naxos and Marco Polo catalogues plus the complete catalogues or selected titles from over 650 record la bels, with more labels joining every month. Along with classical music, jazz, world, and pop/rock are also represented.

[NetAnatomy](#)
NetAnatomy designed to teach human anatomy to students of the health professions, including undergraduate medical and health sciences students. NetAnatomy also serves as a place to review anatomy after one's initial exposure to the subject, e.g. students beginning a clinical rotation, USMLE (National Board) preparation, etc.

[Newspaper Source (EBSCO)](#)
Newspaper Source provides cover-to-cover full text for more than 40 (U.S.) & international newspapers. The database also contains selective full text for 389 regional (U.S.) newspapers

[nbonline.gr (Νομική Βιβλιοθήκη)](#)

Η ψηφιακή βιβλιοθήκη nbonline.gr παρέχει πρόσβαση στο πλήρες περιεχόμενο εκατοντάδων χιλιάδων σελίδων νομικών βιβλίων και 17 επιστημονικών περιοδικών από το πρώτο έτος της έκδοσής τους έως σήμερα. OpenAthens authentication is not supported. Contact the library for details.

[Nursing & Allied Health Database (ProQuest)](#)

This database offers reliable, comprehensive coverage of the fields of nursing and allied health including journals, video, dissertations, reference books and more.

[Oxford Academic Journals](#)

Oxford University Press (OUP) publishes the highest quality journals and delivers this research to the widest possible audience. OUP publish over 230 academic and research journals covering a broad range of subject areas, two-thirds of which are published in collaboration with learned societies and other international organizations.

[Oxford Art Online](#)

Oxford Art Online offers access to the most authoritative, inclusive, and easily searchable online art resources available today. Through a single gateway, users can access and cross-search Oxford's acclaimed, regularly updated art reference works: the *Grove Dictionary of Art* and the *Benezit Dictionary of Artists*. In addition, users can search and access Oxford art reference titles including the *Encyclopedia of Aesthetics* (2nd edition), *The Oxford Companion to Western Art*, and *The Concise Oxford Dictionary of Art Terms*.

[Oxford Music Online](#)

Oxford Music Online is a gateway offering users the ability to search multiple music reference resources in one location. With *Grove® Music Online* as its cornerstone, Oxford Music Online also provides search of *The Oxford Companion to Music* (revised 2011), which offers more than 8,000 articles on composers, performers, conductors, instruments and notation, forms and genres, and individual works; and the *Oxford Dictionary of Music* 2nd edition (revised 2006), which supplements *Grove*'s more extensive articles with content geared toward undergraduates and general users.

[Oxford Reference Online](#)

The Oxford Reference Online *Premium Collection* includes a superb range of key titles in the acclaimed Oxford Companions and Oxford Dictionaries series, plus the Visual English Dictionary, the Oxford Dictionary of Quotations and new heavily illustrated natural history titles such as the Encyclopedia of Mammals.

[Palgrave Macmillan Journals (Springer)](#)

Access to all the Palgrave titles – the renowned Business, Economics, Social Sciences and Humanities imprint. Access includes all years back to 1997 (when applicable).

[Pivot (Proquest)](#)

Locating and securing research funding is becoming increasingly competitive, as funding opportunities are limited and the number of researchers vying for those dollars continues to grow.

Pivot™ answers the growing demands on research developers to quickly discover the right funding opportunities and effectively collaborate with their colleagues.

Political Science Complete (EBSCO)
Political Science Complete (PSC) provides full text for more than 520 journals, and indexing and abstracts for over 2,900 titles, (including top-ranked scholarly journals), many of which are unique to the product. The database also features over 340 full-text reference books and monographs, and over 36,000 full-text conference papers, including those of the International Political Science Association.

Political Science Database (ProQuest)
Political Science Database gives users access to hundreds of leading political science, public policy, and international relations journals. It also includes thousands of recent full-text doctoral dissertations on political science topics, together with working papers, conference proceedings, country reports, policy papers and other sources.

ProQuest Central
This is the largest single periodical resource available, bringing together complete databases across all major subject areas, including Business, Health and Medical, Social Sciences, Education, Science and Technology, and Humanities

ProQuest Dissertations & Theses Global
ProQuest Dissertations & Theses Global is the world's most comprehensive collection of dissertations and theses from around the world, spanning from 1743 to the present day and offering full text for graduate works added since 1997, along with selected full text for works written prior to 1997.

PsycARTICLES (EBSCO)
PsycARTICLES®, from the American Psychological Association (APA), is a definitive source of full text, peer-reviewed scholarly and scientific articles in psychology. It contains articles from journals published by the American Psychological Association (APA), its imprint the Educational Publishing Foundation (EPF), and from allied organizations including the Canadian Psychological Association and the Hogrefe Publishing Group. It includes all journal articles, book reviews, letters to the editor, and errata from each journal. Coverage spans 1894 to the present and nearly all APA journals go back to Volume 1, Issue 1.

Psychology & Behavioral Sciences Collection (EBSCO)
