

# European University Cyprus Library

## EUC Library working framework based on COVID-19 Safety Protocol

- As of Monday, 28th of September 2020, the Library will be open from 08:00 18:00 every day excluding weekends. The Reading/Study Room will remain closed.
- Only students, administrative and academic staff can access the Library, due to the limited number of persons allowed to use it at one time (see paragraph Access and Use).
  To enter, you must show your EUC card to the security guard.
- A security guard will be on duty at the entrance/exit of the Library for temperature screening of every person entering the Library, regardless of the temperature screening applied at the entrance/exit points of EUC premises.
- A distance of 2m is required at the entrance/exit of the Library to avoid crowding.

## Access and use of Library:

- The capacity of the Library will not exceed thirty (30) persons excluding Library staff at any time. Maximum time of stay is 2hrs.
- Use of masks is mandatory for all persons.
- Use appropriate hand antiseptic placed at the entrance point is mandatory.
- No food or drink is allowed in the Library.
- All individuals in the queue at the reception area must maintain a distance of 2m by standing only on the red circle signs.
- Movement of Library visitors should be limited to the necessary minimum.

#### Study spaces:

- Only open-plan study points are available for the visitors. The two (2) conference rooms and the computer room will remain closed.
- Appropriate warning signs (X & V) designate the seats allowed for use.
- Study points must have adequate physical distancing between them.
- Users are not allowed to hold a seat with their personal belonging and leave the library.
- Sharing of pens, pencils, papers, and other stationery or personal objects between visitors is strictly forbidden.
- Hand hygiene is strongly recommended after touching common hard copies.

#### Leaving the Library:

• Everyone should keep wearing his or her own mask until reaching an entrance/exit point of the building. Remember to take with you all your personal belongings, bag, laptop etc. For safe disposal of any used protective equipment, use the closed bin.
